

# Royal Mail Timed Delivery®

**A service which allows you to specify what time of day your mail is delivered. Timed Delivery is subject to availability.**

## **What is Timed Delivery?**

You can choose a convenient time to receive mail. You can choose to receive mail during quite periods of the working day, or earlier if you want to process orders and payments first thing.

## **What times can I choose for you to deliver my mail?**

We can deliver mail to customers within 10 miles of their delivery office from 6.00am. You specify a deliver time and we aim to deliver everything we've sorted within fifteen minutes either side of it. The requested time is subject to operational capacity.

## **How much does it cost?**

Price per month	Price per year
£317.75 plus VAT	£3813 plus VAT

You pay these fees in advance.

## **Does my mail have to be delivered at the same time every day?**

We can deliver your mail at the same time every day from Monday to Saturday, or on specific days of the week or month.

## **What about mail sorted after the agreed delivery time?**

We'll deliver it with the normal post round.

## **What if my mail doesn't get delivered within the agreed delivery time?**

Contact the Customer Service Centre (we will give you the details when you set up the service).

## **How do I cancel or change the service?**

The service must run for a minimum of one month. To cancel or change, we need one month's written notice.

## **Can you deliver my mail before 6.00am?**

If you want a Timed Delivery before 6.00am, this would be a bespoke service at a negotiated price. This is subject to operational capacity.

## **Are there any restrictions?**

If you are located over 10 miles away from a delivery office, the service is available at our discretion.

## **Is there a minimum amount of mail you'll deliver?**

No.

## **What other services can I use?**

We can deliver Priority and Response Service items using the Timed Delivery service. You must make sure the recipient is available to sign at the time you specify.

## **How do I apply?**

Fill in and return the attached application form.
